

Ifö Spira Art wash basin 15070, 15072, 70cm

Our Ifö Spira Art wash basin is the essence of classic Scandinavian design. It has soft lines and a vanity area at the back. No sharp corners where dirt and limescale can collect. The washbasin, which is certified according to Nordic Quality, is treated with our easy-cleaning Ifö Clean glazing. Mounted using bolts.

Design Knud Holscher.
